A professional touch for the Holidays

4234DT

SERGER

Give your projects a professional look with the 4234DT that offers 2, 3, or 4 thread stitches. Its large extension table provides space for big projects while its free arm makes it easier to sew sleeves, trouser legs and other hard-to-reach places. This user-friendly machine comes with one-touch 2-needle threading plus a blind hem foot and trim trap.

CV3550

COVERTSITCH

Coverstitching is easier than ever with the CV3550 that helps you create professional-looking hems, decorative stitching, and double-sided topstitching. You'll love its extra-large 6.1"x3.9" workspace, easy looper and cover spreader threading, and colour-coded thread guides that allow for quick and easy upper and lower looper threading.

AIRFLOW3000

SERGER

With 2, 3 or 4 thread stitches, the AIRFLOW3000 gives projects the professional, clean finished edges they deserve. Brother's Jet Air threading makes threading a breeze, and the quick-change levers easily activate/deactivate the rolled hemstitch feature and the cutting knife. Includes a gathering foot, blind stitch foot, piping foot and trim trap.
